Second round matches are now being played. Please have these completed by August 25. Semi-Finals are scheduled for Saturday, August 26 and finals will be played Sunday, August 27. Good luck to all participants!

CAROLINAS INTERCLUB UPDATE

Current Record: 0-3

Next Match: August 6 vs. New River

SCHEDULE CHANGE

Parent/ Child Tournament originally scheduled for Saturday, September 16, has been rescheduled for Saturday, October 21.

NOTES

It's hard to believe that August is upon us and fall will be here before you know it!

We have a busy month coming up with three interclub matches over a 15 day period. Also, the Match Play Championship will be winding up with semifinals August 26 and finals August 27.

The Men's Club Championship is right around the corner so get your games sharpened up! This year's tournament will be three days with the final round taking place on Labor Day. Call the golf shop to sign up and secure your first round starting time!

Come check out the new Country Lunch Menu served Monday thru Saturday in Fairways & Greens as well as the Fabulous Features appetizer menu served daily. "Like" the Fairways & Greens facebook page as well as the LCC page to see menu updates and daily specials!

See you at the club!

JODY

SUPERINTENDENT MINUTE

I hope everyone is having a good summer and has been able to stay cool. It's hard to believe that we live in a place that can be as hot as it is now and as cold as it was during the winter. We have been hard at work this summer trying to get the course back in tip top shape. In the last week we have completed our greens renovations and are starting to open the greens back up for play. All of the sod has come in well and is off to a roaring start on our greens sites. We will continue to aerify, top dress, and roll these new greens to get as much growth out of them as possible over the next two months. This will also help smooth out any imperfections on the greens, and will make them putt much better in a shorter period of time. We are making every effort during the rest of the summer to avoid another round of winter kill next season. Our goal is to perform multiple aerifications and aggressively verti cut during these summer months to make the grass as hardy as possible. We have met with multiple agronomists on how we can move forward with our Diamond Zoysia and avoid another set back next year. They all confirmed that this is the best plan moving forward. We will be removing several more trees this fall to allow our greens to receive more sunlight during the winter months. We will also allow our greens to grow a little taller as they go dormant to be able to stand up to the stress of the cold and foot traffic while they are dormant. I know this has been a headache for all of you golfers this summer, and I apologize for that. Please know that we are doing everything in our power to give you the best golf course that we can. If you have any questions just come and find me. I will be happy to answer any questions or concerns you might have. So get ready for cooler temps and good greens. They are both coming up for us in the very near future.

See you at the club

Jeff
